Biographies key note speakers

Carol Duffy is a child and adolescent psychotherapist and a senior play therapist in Tusla in Mayo. Carol is a core trainer on the MA in creative psychotherapy in the Children's Therapy Centre in Westmeath and a clinical supervisor. Carol has recently made some chapter contributions and published blogs relating to her field. Carol has delivered training and facilitated workshops and published videos online on how to use play within existing practices for professionals including; social care leaders, project workers, family support workers, managers, foster carers and social work teams. These workshops have been on the use of play as a means to build, enhance and foster regulating relationships in practice and in families. The workshops are informed by neurobiology, attachment, understanding of developmental trauma and child development theories.

Dr Ray Jones is Emeritus Professor of Social Work at Kingston University and St. George's, University of London, and a registered social worker. He has led inquiries following the deaths of children and adults, from 2009 to 2013 was chair of Bristol's Safeguarding Children Board, and from 2010 until 2016 oversaw child protection improvement in Salford, Torbay, the Isle of Wight, Sandwell and Devon. He is the author of seven books including 'The Story of Baby P: Setting the Record Straight'. 'In Whose Interest? The Privatisation of Child Protection and Social Work and he is now working on 'The History of the Personal Social Services' for publication in 2020. He is a regular press columnist and media commentator, has frequently given evidence to Parliamentary Select Committees, and in 2017 he received the Social Worker of the Year Award for 'Outstanding Contribution to Social Work'.

Áine Flynn graduated from Trinity College Dublin with a law degree and M.Litt. by research. She was admitted as a solicitor in 1999 and from 2012-2017 was a senior partner in KOD Lyons, a firm specialising in public interest law, including disability and equality law. She was on the panel of legal representatives of the Mental Health Commission and the Mental Health (Criminal Law) Review Board from their inception in 2006 and also represented Wards of Court instructed by the General Solicitor. She has written and lectured on Human Rights and has been a member of the Human Rights Committee of the Law Society since 2012. Prior to her present appointment, she was a member of the Law Society's Mental Health and Decision-Making Capacity Task Force. In October 2017, Áine commenced in post as inaugural Director of the Decision Support Service in the Mental Health Commission.

Dr John Woolham, John is a Senior Research Fellow and Honorary Senior Fellow of the National Institute for Health School for Social Care Research (NIHR/SSCR). He has been working at King's College London since 2015 and since then has led three major research projects funded by NIHR/SSCR and the English Department of Health and Social Care.

John's research interests include the application of telecare to support the independence and well-being of older people and people with dementia, personal budgets and Direct Payments, and social care Personal Assistants. He has until recently been co-editor of Research Policy and Planning, and Associate Editor of the Journal of Enabling Technology. He is a member of the British Society of Gerontology.
